**DFC/USPS-59.** Please refer to the response to DFC/USPS-22 and -23. Please discuss the extent to which collection-times labels nationwide that show holiday collection times display a notation similar to the one used in Mobile, Alabama, to signal to customers that the holiday collection time does not apply on certain holidays. In responding to this interrogatory, please select a reasonable scope of inquiry (e.g., knowledge of headquarters personnel, a survey of area offices, a survey of district offices, or a survey of post offices) and, in your response, report the scope of your inquiry.

### **CERTIFICATE OF SERVICE**

I hereby certify that I have this day served the foregoing document upon the required participants of record in accordance with section 12 of the *Rules of Practice*.
